Recycling Energy Plant (Uzbekistan)

- Piping between Boiler, Turbine, and Deaerator
- 3D Design and 2D Piping Plans
- Spools and Isometrics
- Piping Stress Analysis
- Determination of Piping Material Specifications
- Pipe Supports / Calculation and Details
- Selection of Boiler and Pipe Insulation Thickness Materials
- Final Material / Procurement List
- Electrical Construction Steel Mechanical Works are included

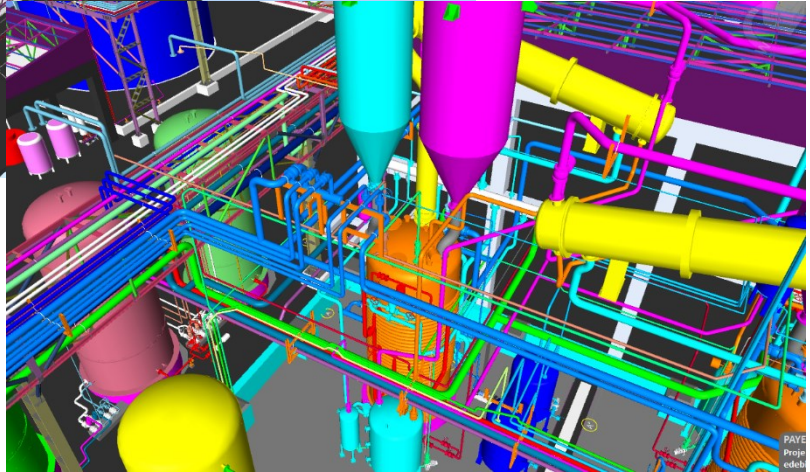

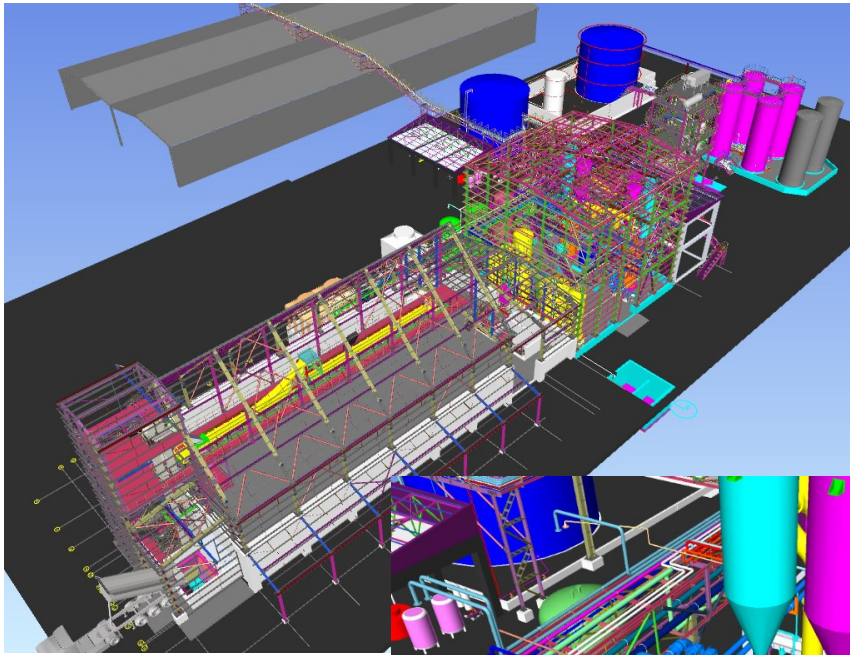

via twins plaza 2177. cadde no: 10/b-118 söğütözü-çankaya/ankara

Göлтаş Adhesive Plant (Isparta)

- 3D Plant Modeling
- 3D/2D Field Piping and Piping Plans / Isometrics
- Piping Stress Analysis
- Determination of Piping Material Specifications
- Electrical Construction Steel Mechanical Works are included

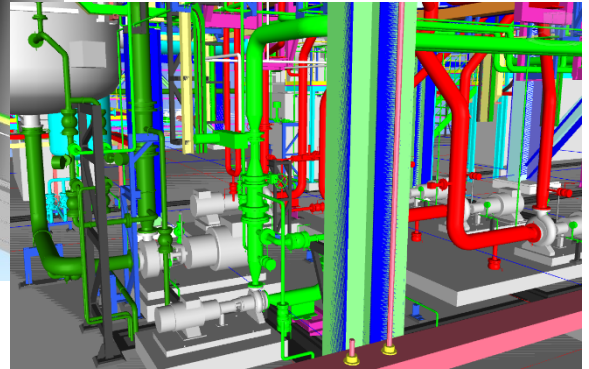

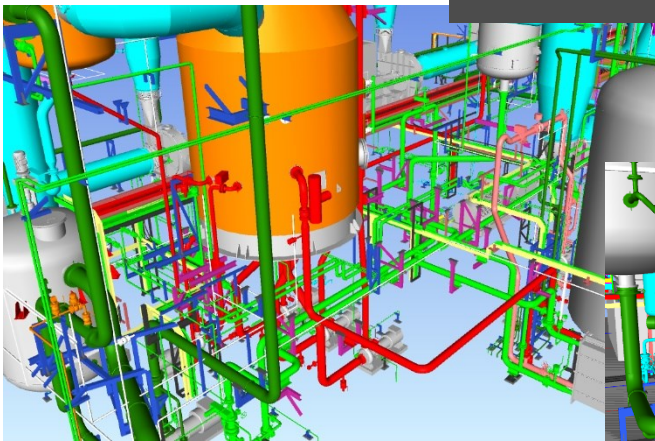

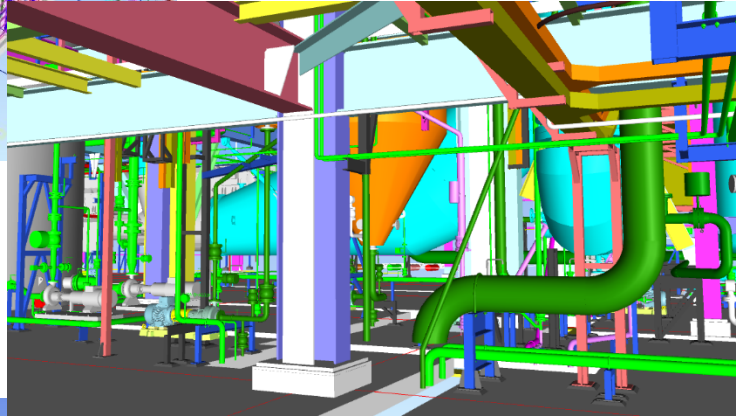

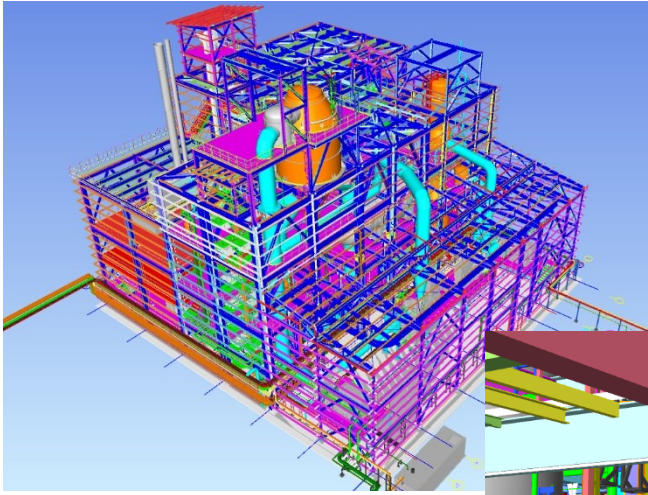

via twins plaza 2177. cadde no: 10/b-118 söğütözü-çankaya/ankara

Slab Furnace Renovation (Erdemir)

- Deaerator Tower Calculation Report and Modeling
- 3D Piping / Isometrics
- Stress Analysis Reports
- Support Calculations, Model, and Manufacturing Details
- Electrical Construction Steel Mechanical Works are included
